

# Our Autumn Newsletter 2018

## Welcome!

The new term has now begun, and Nursery is as busy as ever. Last week we welcomed back both children who attended previously, and new children who have joined us this year. We know that settling into a new routine, or even back into a previous routine, can take some time, so please don't hesitate to speak to your child's key person and/or room leader if there is anything you wish to discuss.

Please ensure that all contact details are up to date. If there have been any changes to addresses, phone numbers, email addresses etc. please inform your room leader so that we can update our records.

As you're aware the site operates a barrier system at the main entrance. You can gain access through the barriers using your mobile phone once your number is registered with us. If you haven't yet done so, please can you let us have your mobile phone number and you will then be able to lift the barriers by ringing the number you will be given. This is the quickest way to get into the site, especially during the morning.

### Tapestry

All parents should be signed up for Tapestry. If there are any issues or you have any questions then please speak to your child's room leader. The Tapestry app is available to download for most phones if parents wish to do so.

### Clothing

As the cold weather will no doubt start creeping in, children will start arriving in coats, hats and gloves. Please could we remind parents to ensure that everything is clearly named to avoid mix-ups.

### Early Years Portraits

Please note Tempest photography will be in nursery on the 2nd October from 9.00 am to take photos of your little ones.

### Staffing Update

Our Nursery Manager, Saika, is absent at the moment. Please speak to your child's room leader in the first instance if you have any queries. If you wish to speak to one of the Directors please ring Feversham Academy or speak to someone in Reception to make an appointment.
